

**CHECK ALL THAT APPLY**

- I had health insurance coverage for myself and everyone on my tax return including my spouse (if applicable) and all my dependents had health insurance for the **entire** year in 2016.
- I had health insurance for myself BUT not everyone on my tax return had health insurance for the **entire** year in 2016. List the names below of those who did not have health insurance for the entire year in 2016:

---

---

---

- I have health insurance through my employer.
- I have health insurance through Medicare or Medicaid.
- I purchased health insurance through the Marketplace.
- I purchased health insurance myself through a health insurance company.
- I am a college student who had health insurance coverage through my parent(s).

- I did NOT have health insurance for myself for the **entire** year in 2016.
- Other. Explain: \_\_\_\_\_
